Cincinnati's Van Ossello rolls his third shot after putting Phil Bogosian over the green to set up his winning putt. The other teams in the field are noticing the competition. Van Ossello, a 39-year-old employee of the local power company, ran away with the tournament, with a score of 70-72-70-72 at 284. The second place finisher was Phil Bogosian, with a score of 70-72-70-71 at 285. The tournament was held at the local golf course, and the field was made up of some of the best amateur golfers in the area. The tournament was sponsored by the local golf club, and the prize money was donated to the club's scholarship fund.

INDUSTRIAL BURN SEMINAR

October 13-14, 1975
SKIRVIN PLAZA HOTEL
OKLAHOMA CITY, OKLAHOMA

This seminar will address the prevention of industrial burn accidents.

Here are some cold, hard facts about people who get burned:

- 2 million Americans burned annually.
- 300,000 hospitalizations annually.
- 12,000 persons die from burns annually.
- Average length of time in hospital 3 weeks.
- Severe burn patients average 6 months to 1 year of recovery.
- Estimated dollar loss $11,000,000 annually.

But there is no way to express the pain and suffering that is inflicted.
