Hart Sees Spying Need

By JACI BARRY

The Oklahoma House was set to consider a new bill that would give the attorney general more authority to investigate potential violations of the Open Meetings Act. The bill is in response to the recent controversy surrounding the use of private investigators by the Attorney General's Office.

Federal Aid Move Grows In Congress

The Los Angeles Times reported yesterday that the Senate Finance Committee has approved a bill that would provide $3 billion in federal aid for projects in the state. The bill has been supported by a coalition of business and labor groups, including the AFL-CIO and the Chamber of Commerce.

City Burglar Out Of Luck

Despite the efforts of city and county law enforcement agencies, the city of Oklahoma City does not have a single burglary report for the month of July. The only burglary reported was a theft of copper from a business in downtown Oklahoma City.

Hart Sees Spying Need

The Oklahoma House was set to consider a new bill that would give the attorney general more authority to investigate potential violations of the Open Meetings Act. The bill is in response to the recent controversy surrounding the use of private investigators by the Attorney General's Office.

Meeting in secret opposed

Perry: Two Chocaw men killed

Billie Jo Austin, 23, and Charles E. Phillips, 22, were killed last night in the county. The men were shot while standing near the county line.

Henry Goodwin, referring to Ginter's obtaining the money, said: "It was hard to explain to him what happened when he was present."

Robert B. Jones, the editor of the New York Times, said he was present. "We're not going to give our names, but we don't think it's right," he said, "and we're going to expose the whole thing."

Malpractice Lawsuit Ends With Acquittal

In a victory for the medical community, a jury in the United States District Court for the Eastern District of Oklahoma has acquitted Dr. Jane Smith, a prominent local physician, in a malpractice lawsuit brought by the family of Michael Brown, who died during a hospital stay.

The suit accused Dr. Smith of gross negligence in the treatment of Mr. Brown, who had been admitted to the hospital with symptoms of a rare and deadly disease. The jury deliberated for four days before reaching a verdict.
