City Man To Get Corrections Post

By JOHN GILLIS
The Journal
The State Penitentiary Board has ordered that corrections post be reinstated for inmate Syed Ali Qazi, who was transferred from the Oklahoma State Penitentiary to the Medical Center for the Mentally Ill in Muskogee.

Qazi, a native of Pakistan, was convicted of first-degree murder in 1979 and sentenced to life in prison. He has been at the Medical Center since 1981, where he has been treated for mental illness.

The move is being made in response to a request from Qazi's attorneys, who have argued that he is no longer a danger to society and should be released.

The post will be reinstated for Qazi on October 1st.

Ford Death Plot Charged

LOS ANGELES, CA — Two men were arrested in Santa Monica, Calif., on Friday for allegedly plotting to kill President Ronald Reagan in 1981. The men, who were later identified as John J. Callahan and John F. Callahan, were charged with conspiracy to commit murder.

The two men, who were arrested in 1981 and 1982 respectively, were members of a radical left-wing group called the Weather Underground.

The group was known for its extremist views and had been involved in a number of violent acts, including the bombing of a federal building in Miami Beach, Fla., in 1979.

The Weather Underground was later dismantled and the group members were arrested and charged with federal crimes.

The two men were initially charged with conspiracy to commit murder but were later charged with murder.

The case was one of the most high-profile cases in recent history and helped bring attention to the activities of radical left-wing groups.

The two men were sentenced to life in prison and have spent most of their time in isolation.

Tinker Air Force Base has begun a $22.5 million renovation of the material processing center which handles shipments for 280,000 homes and 700,000 trailers.

This facility is significant to Tinker, and the process is expected to last 18 months. A new building is scheduled to be completed by the end of 1975. The process is expected to improve efficiency and reduce costs associated with material handling.

**Ford Office Robbed**

The Ford office at Ford Center in Fort Smith was robbed at gunpoint by two men who demanded money and fled the scene.

**Dedication**

As the new material processing center is dedicated, a dedication ceremony is scheduled for Monday. The ceremony will be held in the new facility. Attendees will be welcomed with a ribbon-cutting ceremony and a tour of the facility.
