MOROCCO ENDS SAHARA MARCH

Tension Cited In Firing

The Washington Post News Service
WASHINGTON-Prime Minister and leader that "any
brings nothing unless you have in it your whole
heart, just as all the leaders of the world,
the President's
speech, the statement of
the Prime Minister
of the situation in
AfricA."

A statement issued by the
Organisation of African Unity and
the Organisation of African
States, which speaks for more
than 33 African countries,
was released yesterday, calling
on the United Nations to
impose sanctions on
the country.

The statement, which was
signed by the leaders of the
Organization of African
Unity, the Organisation of
African States, and the
International African
Union, said that the situation
in South Africa was a
matter of "concern to the
whole world.

A Review

Lou Rawls Likes Intimacy Of Nightclub Setting

In Nancy Silver's story about Lou Rawls, he talks about his preference for small, intimate clubs over the large venues where he performs. Rawls mentions that he enjoys the personal connection with the audience in smaller settings. He also discusses his recent performance at the famous nightclub, explaining that the setting was perfect for his style of music. The article highlights Rawls' dedication to his craft and his appreciation for the unique atmosphere that small clubs provide.

Overweight or Obese?

The "Biggles" of Overweight

Are you overweight? Do you have a big belly? Here's a simple test to find out if you might be overweight.

1. Stand up straight with your feet shoulder-width apart.
2. Place your hands on your hips and lean forward.
3. If your belly sticks out more than your waist, you might be overweight.

Why?

Overweight people are at increased risk for a variety of health problems, including heart disease, diabetes, and certain cancers. The "Biggles" test is a good way to check your weight and make sure it's in the healthy range.

Overweight or Obese?

1. Stand up straight with your feet shoulder-width apart.
2. Place your hands on your hips and lean forward.
3. If your belly sticks out more than your waist, you might be overweight.
4. Overweight people are at increased risk for a variety of health problems, including heart disease, diabetes, and certain cancers. The "Biggles" test is a good way to check your weight and make sure it's in the healthy range.

The "Biggles": Why and it doesn't mean to do. Our diets are often high in calories and low in nutrients. Overweight has been associated with an increased risk of various health problems, including heart disease, diabetes, and certain types of cancer. The "Biggles" test is a simple way to check your weight and make sure it's in the healthy range.
Polly Ishmael, 60
Taken By Death

Mr. and Mrs. Allen Ishmael of 300 Bradley Drive, Monday morning, were the scene of a double murder suicide. Mrs. Ishmael, 60, and her mother, Mrs. Hilda Ishmael, 90, were found dead in their home. The police are investigating the case as a double murder suicide.

Rites Set For Retired IRS Aide
