"uncommonly fine foods at
uncommonly low prices..."

This is the Wehba's guarantee... your guarantee in writing that everyday grocery prices will be as low as or lower than any store in town.

It means that having the finest, most elegant atmosphere in town to do your shopping will not in the least be reflected in the prices at Wehba's. You'll find uncommonly high quality at uncommonly low prices. And if you find any of our over 10,000 items at an everyday price higher than our competition, we welcome your comparison and guarantee you that we will lower your everyday price to meet or beat it.

Wehba's Grand Bazaar is dedicated to serve our customers with the greatest possible variety of uncommonly fine foods at uncommonly low, guaranteed prices. And if there's something you need but do not see, we guarantee to use every means available to get that item for you. When you find service, quality, freshness, selection, and low price in one store, there's no reason to shop anywhere else. Wehba's is that store... with uncommonly high quality at uncommonly low prices. Wehba's Grand Bazaar is much more than just meat and potatoes. You'll discover that on your very first visit.

CONVENIENTLY LOCATED

An abundance of parking is available at around the beautiful new Tiffany Park Shopping Mall, two miles west of I35 at I-35E, or you can park and shop in comfort, your grocers are automatically brought to an outdoor pickup point where they will be immediately placed in your car when you drive up on your way out.

more than just meat and potatoes!

We believe the time has come for Oklahoma City to have the Southwest's most elegant shopping environment, Wehba's Grand Bazaar. It's more than just meat and potatoes. It's 250 local employees who truly care about your total satisfaction when you shop from a beautiful array of over 15,000 quality products at low competitive prices.

If anything we sell disappoints you in any way, we will cheerfully replace the item or refund your money. Our buyers are working all over the U.S., personally selecting the finest and freshest produce, meats, fish, and seafoods, and dairy products. Our gourmet foods and cookware are purchased from only the foreign and domestic companies with the highest reputations. Our bakery bakes all breads, pastries and specialty items from scratch and serves you the little old bake shop way.

Our meat department specialists give you Extra Value Trim, prepare your favorite U.S.D.A. Prime cut, slice and season your beef, or even cook it for you. Our delicatessen gives you the quality and selection of a Kosher New York Style Delicatessen, because that's exactly what it is. Even grocery shopping is never dull. You have a complete cosmetics department with some lines exclusive to Oklahoma, a greeting cards section, a registered pharmacist with 10 years experience, and a fully-stocked flower shop with a beautiful variety of potted plants, cut flowers, exotic plants, and plant paraphernalia. You can't compare Wehba's Grand Bazaar, because there isn't anything like it. Come in and let us meet you today. Enjoy your look around, and see prices so low you just won't believe your eyes. We sincerely want you as a customer, and we'll do everything possible to keep you happy and keep you coming back. We hope to see you soon.

WEHBA'S IS OPEN 24 HOURS A DAY, SEVEN DAYS A WEEK JUST TO SERVE YOU BETTER.

OPEN UNTIL 8:00 P.M. CHRISTMAS EVE. CLOSED CHRISTMAS DAY.
