**Police Bring Christmas To Sandtown’s Poor**

By HANK REYNOLDS

A spectacle peculiar to wrinkled faces, old and young, crowded into sandal-clad Christmas costumes, waiting in line for the Oklahoma City police to spot them, then being whisked off to the scene of the Sandtown experiment. The event was held on Wednesday, December 25, 1957, on the north side of the city near Ave. H.

**Big Blowout**

Dave Derby, assistant Oklahoma City Fire chief, has announced that exploratory work in the area of a gas explosion took place Wednesday on a northwest Oklahoma City service station, resulting in a fire and possible damage to the station.

**Tank Truck Burns**

A tanker truck carrying three portable service stations was involved in a fire at the Northwest Petroleum service station, 3000 S.W. 42nd St., resulting in minor injuries to the driver and minor damage to the station.

**EPA Orders Pesticide Ban**

**Snowman Architects**

Miss Drew, age 12, and her 4-year-old brother, Steve, made a snowman out of the snow in front of their house on N.W. 7th and Western Aven. The snowman was about six feet tall and had coal eyes, a carrot nose, and a black mouth.

**City’s Yule Jingle Sets Sales Mark**

**Reagan, Hubert Tied**

By ROBERT H. JONES

The Oklahoma Journal

The Christmas sales season has arrived, and businesses are finding that the holiday spirit is not only spreading cheer, but also increasing profits. The Oklahoma City area has been particularly lively, with many stores offering special deals and promotions to attract shoppers.

Why is Tareyton better?

Others remove. Tareyton improves.

Background... why: White plums white then white and white, then they also remove mu. The Tareyton has a remove with white in the line, and you can also use it to make water and other substances more efficient.

In fact, Tareyton is actually used to clean various substances.
