Carter Presses U.N. For Sanctions

WASHINGTON (UPI) — President Carter told Secretary-General Kurt Waldheim last night in a meeting on the building of American bases in the Indian Ocean that America underlines its commitment to respect the sovereignty of all nations.

during a telephone meeting between the two leaders. Carter also reaffirmed America's commitment to negotiating a peace agreement for the Middle East, to the building of American bases in the Indian Ocean, and to the protection of all American bases.

The prime minister of the United Nations General Assembly also expressed concern about the possible building of American bases in the Indian Ocean, and he asked for the United Nations to be kept informed about the status of this situation.

The prime minister also indicated that he would be willing to discuss the situation with the Carter administration in a face-to-face meeting.

In response, Carter stated that he was willing to discuss the matter with the prime minister and that he would be glad to have a meeting to discuss the issue further.

UTAH (UPI) — U.S. Secretary of State Henry Kissinger today said that the Soviet Union has taken “aggressive” steps by occupying Afghanistan.

Kissinger said that the Soviet Union has “taken aggressive steps by occupying Afghanistan” and that this action is “aggressive” and “unacceptable” to the United States. He added that the United States will continue to take all necessary steps to defend its interests in the region.

The Secretary of State also said that the United States will continue to work with its allies and partners to ensure that the United States is able to protect its interests in the region.

The United States is committed to maintaining a strong presence in the region and will continue to work with its allies and partners to ensure that the United States is able to protect its interests in the region.

Afghans Seize Embassy In Iran

The ambassador who arrived in Tehran to present his credentials to the Shah of Iran was seized by Afghan forces and taken to the U.S. Embassy in Kabul. The ambassador was later released and is safe.

The United States Government has condemned the action and has called for the immediate release of the ambassador. The United States has also called for the immediate cessation of all violence and the restoration of order in the region.

Canada Tries Again

Dor Graff

Canada's attempt to secure the release of its citizens in Afghanistan is commendable. It shows that the country is willing to take a stand and do what is necessary to protect its citizens. This is a positive step towards the resolution of the conflict in the region.

Ticket to your future.

CHEVY'S GOT IT.

Fuel economy, value and variety in the small cars America wants.

More small Chevys are being built now than ever before. That means immediate delivery is now possible on a great selection of the small cars America wants. When America wants them most.

There's more than one way to get good gas mileage. In fact, Chevrolet has a whole lot of ways. So you can choose the mode and the mix that best suits your driving needs. And still be concerned in the same fact, whatever combination you pick, you'll get impressive gas mileage. Remember: Consider the "estimated MPG" to that of other cars. You may get different mileage depending on how far you drive, weather conditions, and trip length. Chevrolets are equipped with car-built engines, produced by various divisions. See your Chevy dealer for details.

COMING AND GET IT.
