Helen Help Us...
Rude 'Interrupter' Needs Put-Down

DEAR HILDA,
I have a problem: my husband and I attend a social circle in our city. We have several friends who regularly drive us deeply into our own thoughts. I have learned to tune them out, but my husband can't. He's really losing his concentration and even his enjoyment of the group because of this. What can we do about this?

DEAR HILDA,
I'm also in a social circle, but our problem is different. We're often interrupted by other guests who say something that makes everyone laugh. It's not exactly rude, but it's annoying to our guests. How can we handle this?

DEAR HILDA,
I have a different issue. My sister-in-law has a habit of interrupting our family gatherings. She talks a lot and doesn't listen to anyone else. It's getting really tiresome. How can we make her realize it's not working for the group?

DEAR HILDA,
My husband and I were recently invited to a dinner party, but we didn't get invited to another one because we didn't show up last time. We didn't mean to, but we were running late. How can we get invited again?

DEAR HILDA,
I really need help with my multitasking. I'm always interrupted by phone calls, emails, and text messages, which makes it hard to get anything done. What can I do to block these interruptions?

DEAR HILDA,
My husband and I are planning a trip to Italy, but we're worried about being interrupted by family members while we're away. We have a lot of family who like to check in on us. How can we deal with this?

DEAR HILDA,
I'm really struggling with my work-life balance. I'm constantly interrupted by my kids, phone calls, and emails, which makes it hard to focus on my work. What can I do to make my workday less stressful?

DEAR HILDA,
I'm trying to get into shape, but I'm constantly interrupted by the children. I can't seem to get a workout in. How can I deal with this and still keep them entertained?

DEAR HILDA,
I'm a salesperson, and I'm constantly interrupted by customers who want to talk to me. It's really affecting my productivity. How can I handle this?

DEAR HILDA,
I'm a student, and I'm constantly interrupted by my housemates. It's really affecting my studies. How can I handle this?

DEAR HILDA,
My husband and I are trying to save money, but we're constantly interrupted by friends who want to borrow money. It's really affecting our budget. How can we handle this?

DEAR HILDA,
I'm a teacher, and I'm constantly interrupted by kids who want to talk to me. It's really affecting my ability to teach. How can I handle this?

DEAR HILDA,
I'm a mom, and I'm constantly interrupted by my kids. It's really affecting my ability to do anything. How can I handle this?
