Concorde’s Clerk Criticized

France’s Finance Minister, with the Concorde plane crash in mind, has called for a moratorium on all future Concorde flights. The Concorde plane, which is currently being used by several European airlines, has been involved in a number of accidents in recent years. The minister has stated that the Concorde is a “risk to life” and that the plane should be grounded until further investigation can be conducted.

The plane has been involved in a number of accidents in recent years, including the crash in Paris in 1970, which killed 109 people. The Concorde plane is currently being used by several European airlines, including Air France and British Airways.

Egyptian-Arabic Border Opening

Egypt has opened its border with the Arab Republic of Egypt, allowing for the free flow of goods and people between the two countries. This is the first major step towards the creation of a unified economy in the region.

The opening of the border is seen as a significant development in the region, as it will allow for greater economic cooperation and integration. It is also seen as a step towards the eventual creation of a single market for the entire region.

NOW Leader Hits Anti-Abortionists

Washington, D.C. — NOW leader Gloria Steinem has called for a boycott of Planned Parenthood, which she said is a “front group for the anti-abortionists.” Steinem said that Planned Parenthood has been involved in a number of controversial practices, including performing abortions on minors without parental consent.

The organization has been involved in a number of controversies in recent years, including the discovery of a fetal tissue bank at one of its clinics. The organization has also been criticized for its “abortion on demand” policy.

Latest Wave Of Smoker Research: Smokers prefer MERIT 3 to 1 over high tar leaders in tests comparing taste and tar levels.

Merit Solid Winner!

Smokers Report: MERIT Taste Matches High Tar Cigarettes!
New taste tests with thousands of smokers prove it.
Proof: A significant majority of smokers rate MERIT taste as good as—or better than—leading high tar brands. Even cigarettes having twice the tar!
Proof: Of the 95%-stating a preference, 3 out of 4 smokers chose the MERIT low tar/good taste combination over high tar leaders when tar levels were revealed.

MERIT: Proven Long Term Alternative To High Tar Brands.

New national smoker study results prove it.
Proof: The overwhelming majority of MERIT smokers polled feel they didn’t sacrifice taste in switching from high tar cigarettes.
Proof: 96% of MERIT smokers don’t miss former high tar brands.
Proof: 9 out of 10 enjoy smoking as much since switching to MERIT. They are glad they switched, and report MERIT is the best tasting low tar they’ve ever tried.

You’ve read the results. The conclusion is clearer than ever: MERIT delivers a winning combination of taste and low tar.

A combination that’s attracting more and more smokers every day and—more importantly—satisfying them long term.
