**Panel Will Meet With Iranian Hostages**

By United Press International

Ayatollah Ruhollah Khomeini, controlling the military and the Islamic Republic of Iran, has assured the United States that all four American hostages were safe and well. The assurance came in a letter to President Carter, released by the US Embassy in Tehran.

The letter, dated November 22, was sent to President Carter in response to a telegram from the US Embassy in Teheran, expressing concern over the safety of the hostages.

The letter reads:

"We assure you that all four hostages are safe and well. We have taken all necessary precautions to ensure their safety."

The letter was delivered to the US Embassy in Teheran on November 22, and was confirmed by the US State Department.

Keep The Cells Full

There is a lot to say about the need to keep the cells full of nutrients, but let's focus on a few key points. First, a balanced diet is crucial. This means including a variety of fruits, vegetables, and whole grains in your meals. Second, regular exercise helps maintain cell health by increasing blood flow to the tissues. Finally, staying hydrated is essential, as water is a primary component of cells. By following these guidelines, you can help ensure that your cells remain healthy and functional.

Toothless Tiger

Water is having an impact on the toothless tiger's natural habitat. As temperatures rise, the water supply in the region is decreasing, which is affecting the tiger's ability to find food and water. Conservation efforts are underway to address this issue and protect the toothless tiger's population.

Better Than Expected But Below Undecided

Washington: At this time, we can report that the outcome of the election is not yet clear. The votes are still being counted, and it appears that the race is too close to call. Both candidates have made strong arguments, and the final results will be decided by the votes cast in key battleground states.

U.S. GOVERNMENT REPORT: CARLTON LOWEST.

Carlton claim confirmed.

Many cigarettes are using national advertising to identify themselves as how tar. Consumers, however, should feel out just how low these brands are—or aren’t. Based on U.S. Government Report.

Box or Menthol:
Carlton have less tar than other Kent.

9 Carlton have less tar than one Kent.
10 Carlton have less tar than one Kool Midd.
11 Carlton have less tar than one Marlboro Lights.
12 Carlton have less tar than one Merit.
17 Carlton have less than one Vantage.
22 Carlton have less than one Winston Lights.

The tar and nicotine content per cigarette of selected brands is:

<table>
<thead>
<tr>
<th>Brand</th>
<th>Tar</th>
<th>Nicotine</th>
</tr>
</thead>
<tbody>
<tr>
<td>Carlton Soft Pack</td>
<td>1.7</td>
<td>0.1</td>
</tr>
<tr>
<td>Carlton Menthol</td>
<td>less than 0.1</td>
<td>less than 0.05</td>
</tr>
</tbody>
</table>

This report confirms all brands, Carlton Box to be lowest with less than 0.5 mg of tar and 0.05 mg of nicotine.
