**Klansmen Face Assault Charge**

**CHATTANOOGA, Tenn.** (UPI) — Three Klansmen, one of whom is a battalion leader of the Tennessee division of the Ku Klux Klan, were held Sunday on $50,000 bond on charges of violating the wade-in laws of the city.

The three men, identified as William K. Ford, Henry C. Hush, and Henry L. Williams, were arrested early Sunday morning by Police Captain John W. Liddle, the city's chief of police.

The arrest came after a series of anti-black rioting in the city over the past week.

**Baker Willing To Join Ticket**

**Springfield, Pa.** (UPI) — Senator Harrison Baker, a Pennsylvania Republican, has announced that he will run for the Republican nomination for Governor of Pennsylvania in 1952.

Baker, who has been a strong supporter of Senator Robert A. Taft, has decided to run for Governor because he feels that the state is in a critical situation and that the Republican Party needs strong leadership.

Baker's announcement comes as a surprise to many political observers, who had expected him to run for the Senate seat vacated by Senator W. Proctor Shaw.

**State Wrecks Claim 6 Lives**

Two persons were killed early Sunday in a three-car crash on U.S. 23 north of Dayton, and four others were injured.

The first victim died at the scene, and the other two were pronounced dead at the hospital. The remaining four were sent to the hospital with injuries ranging from minor cuts to severe head injuries.

**Militants OK Timms’ Visit With Son**

The leaders of the militant group that organized Timms’ visit with his son have announced that they will not oppose the visit. The group, which is known for its violent tactics, has previously opposed the visit, but has now decided to allow it to proceed.

Americans Favor Hostage Deadline

WASHINGTON (UPI) - A majority of Americans said they favored setting a time limit for holding the American hostages in Iran, according to a national survey.

The survey also found that most Americans believed the United States should try to negotiate with Iran to free the hostages, and about three-quarters of those surveyed favored using military force to rescue the hostages. However, the survey showed that a majority of Americans opposed using military force to rescue the hostages if Iran refused to release them.

Canada No Haven For War Criminals

OTTAWA, Ont. (AP) - The Canadian government has refused to allow an accused war criminal from Iraq to enter the country, according to a statement from the Canadian government.

The statement said the Canadian government had been informed that the accused war criminal had been involved in serious human rights abuses during the Iraqi war, and that he would not be permitted to enter Canada.

The government also said it had been advised that the accused war criminal had been involved in serious corruption and financial irregularities.

The statement said the Canadian government had been advised that the accused war criminal had been involved in serious corruption and financial irregularities.

Soviet Troops Reported Near Iran

NAGHШD, Iran (AP) - The Soviet Union has reportedly sent troops to the Persian Gulf, according to a report from a U.S. government source.

The report said the Soviet troops were preparing to support the Iraqi military in its efforts to suppress a Muslim fundamentalist movement in the region.

The report said the Soviet troops were preparing to support the Iraqi military in its efforts to suppress a Muslim fundamentalist movement in the region.

Inflation Crippling The Globe

LONDON (AP) - Inflation rates worldwide are at an all-time high, according to a report from the International Monetary Fund.

The report said inflation rates have reached levels not seen since the 1970s, with prices rising faster than wages in many countries. The report said the high inflation rates were caused by a combination of factors, including the global economic recovery, increased demand for goods and services, and higher wages in some countries.

Editorials
Fidel Next Refugee?

Strange things are good at being true.

Fidel Castro's recent decision to allow his brother Raul to be a candidate in Cuba's elections is a sign that the government in Havana is losing grip on power.

The current government in Cuba is not only losing control of the country, but also losing the support of its people.

Robert Walters
Airway Fund 'A Mess'

WASHINGTON (NEA) — The recent airway fund scandal is a severe embarrassment for the government.

The fund was meant to be used for the betterment of the country, but it has been misused and mismanaged.

Thoughts

The scandal has caused a lot of anger and frustration among the people.

The government needs to take action and make sure that this kind of thing does not happen again.

U.S. Allies Could Bring Iran Into Line

WASHINGTON — The Central Intelligence Agency was prepared to bring Iran into line with its policy of non-aggression, according to a former CIA official.

In interviews with The Journal, the former official said that the CIA had been monitoring Iran's activities and was prepared to take action if necessary.

Good News, Bad News For Kennedy Candidacy

Jack Anderson

WASHINGTON — The news about Kennedy's candidacy is mixed.

Some see it as a positive thing, others as a negative.

Commentary

The decision to support Kennedy is a complex one.

There are many factors to consider, including his past actions and his current policies.

Earth Day Tuesday

WASHINGTON (AP) — The Earth Day observance in the United States was marked by a call for action on environmental issues.

The day is observed each year to raise awareness of environmental issues and to encourage people to take action to protect the environment.

In Washington, D.C., a group of environmental activists held a rally to call for action.

The activists highlighted the need for stronger environmental policies and for the government to take a stronger role in protecting the environment.

They also called for the reduction of carbon emissions and for the development of renewable energy sources.

The activists' message was echoed by many others across the country, as people came together to demand action on environmental issues.
Detroit Rolls Out Welcome Mat For GOP

Detroit, MI - Detroit is rolling out the red carpet for the Republican Party as they prepare for their national convention. Dozens of floats and activities are planned for the event, which is expected to draw thousands of attendees. The convention is scheduled to start next week in the city's convention center.

Detroit Loves a Good Party

As the convention approaches, the city is gearing up for a festive atmosphere. Local businesses are anticipating a boost in tourism, with many already offering special deals and promotions to visitors.

House, Senate To Debate Budget Plans

WASHINGTON (AP) — Both the House and Senate are set to vote on a fiscal 2023 budget resolution this week, a key step in the US budget process.

The Senate is scheduled to vote on its version of the budget resolution on Tuesday, while the House is expected to vote on its version on Wednesday. The two chambers must reconcile their differences before the resolution can be sent to the White House for approval.

In recent years, budget resolutions have played a more significant role in the budget process, as lawmakers have struggled to find ways to reduce the federal deficit and control government spending.

Japan Tells Iran To Keep Its Oil

TOKYO (AP) — Japan told Iran on Thursday to keep its oil production at current levels, warning that any increase in oil prices would only expose the US to higher energy costs.

The statement came as Iranian officials announced plans to increase oil production in the wake of US sanctions.

The US has been implementing sanctions on Iran in recent years, including those targeting its oil industry, in an effort to prevent the country from acquiring atomic weapons.

West German Chancellor Backing U.S.

BERLIN (AP) — West German Chancellor Willy Brandt has backed the US position on the situation in the Middle East, saying that a strong US commitment is necessary.

In a speech to the Bundestag on Thursday, Brandt said that the US has a key role to play in maintaining regional stability.

He also warned that any US withdrawal from the region would be a mistake, saying that it would only increase the risk of conflict.

Agnew ‘Preposterous’

BALTIMORE (AP) — Former Maryland Governor Millard E. Agnew has accused President Ford of being “preposterous” for his response to the Watergate crisis.

Agnew, who was once a prominent member of the Republican Party, said that Ford’s handling of the scandal was “preposterous” and that he should have resigned.

The Watergate scandal involved a group of White House officials who were involved in a break-in at the Democratic National Committee’s headquarters.

Ohio Governor Endorses Reagan

COLUMBUS, Ohio (AP) — Ohio Governor Jim Rhodes has endorsed President Ronald Reagan for re-election.

In a statement released on Thursday, Rhodes said that Reagan has “solidified America’s leadership around the world” and that he is the best candidate for the job.

Reagan is currently running for a second term, and his campaign has been endorsed by several prominent politicians and business leaders.

High Fashion And Low Antics As Paris Unveils Newest Duds

PARIS (AP) — Paris has unveiled its latest fashion collections, featuring high fashion and low antics.

The runway show, held in the Bastille neighborhood, featured models wearing everything from designer gowns to streetwear.

The collection, designed by several up-and-coming designers, was praised for its creativity and unique style.

Be Wary Of Garden Gimmicks

WASHINGTON (AP) — The Federal Trade Commission is warning consumers to be wary of garden gimmicks.

The FTC said that people should be cautious when purchasing products like garden gnomes and other garden decorations, as some of these products may not live up to their promises.

The FTC also advised consumers to read reviews and check for customer satisfaction before making a purchase.
