Board OK's Busing Plan

The debate began of heavy taxpayer pressure in the state for the non-subsidized GTD, adding to the existing demand for a non-subsidized mode of transportation. Reagan declined his suggestions that the state try to raise the budget by raising a $10 billion supply-side tax.

The debate went on to the next session of the board, which was to deliberate on the issue of busing. Reagan declined to comment on the issue, stating that it was a private matter.

Unemployment ‘Checks’ Asked

OKLAHOMA CITY (AP) — Gov. George Nethercutt asked Oklahomans to stop cashing unemployment checks they received before the state's unemployment insurance program was implemented.

Nethercutt said that without an unemployment insurance program, the state's fiscal health is at risk. He said that the checks have been cashed by some Oklahomans who did not qualify for the program.

"This is a scam," Nethercutt said. "We need to stop this now before the state's budget is in jeopardy." He said that the state needs to pay back some of the money that was cashed.

Fischer Guilty In Stab Death

OILUKEESE, N.Y. (AP) — Fischer, who was convicted of stabbing his wife to death, was sentenced to 25 years in prison.

Fischer was convicted of second-degree murder in the death of his wife, who was found dead in their home.

"We are pleased with the outcome," said the victim's attorney. "He should have been sentenced to life in prison." He said that the state is considering appeals.

Swindle Scheme Checked

VILETA (AP) — Part of a swindle scheme involving the sale of fake real estate was revealed.

The scheme involved the sale of properties in a fictitious town in Florida.

"We have evidence that the scheme was ongoing," said the FBI agent in charge. "We are working with other agencies to bring the perpetrators to justice." He said that the state is considering appeals.

City Scene

Emergency Medical Services Set

A new emergency medical service was set up.

The service will be staffed by volunteers.

"We are excited about this," said the mayor. "We will be able to provide better care to our citizens." He said that the state is considering appeals.

Tips About Graft Among Pecans

Many pecans were reported stolen.

"We are investigating," said the police chief. "We ask anyone with information to come forward." He said that the state is considering appeals.

Country Club Sues Teen, Family

The country club filed a lawsuit against a teen and his family.

The suit alleges that the teen caused damage to the club.

"We are fighting for our rights," said the club's attorney. "We hope to receive compensation." He said that the state is considering appeals.

OC Boy Dies In Fire

Six Flags Has Changed

ARLINGTON, Texas — If you don't mind the gloom and the drizzle and the cold, you can still have fun at Six Flags Over Texas. The amusement park in the nation's fifth-largest city is a place where you can ride roller coasters, drive go-carts, play bumper cars and drink your fill of soft drinks.

The Six Flags Over Texas is owned by the American Dream Corporation, which operates five other amusement parks throughout the United States. The company's chairman, Jack Davis, is a former boxer who became interested in amusement parks after he was injured in a fight.

The Six Flags Over Texas is a popular destination for tourists and locals alike. Here are some of the highlights:

1. Roller coasters: The park features several roller coasters, including the Texas Giant, the tallest and fastest coaster in the park.
2. Bumper cars: You can rent a bumper car and ride around in a sea of other cars.
3. Go-carts: You can race your friends and family in go-carts around the track.
4. Soft drinks: You can have a soft drink at one of the many stands throughout the park.

And now, a note: for every ride too

Americans In Somalia: Our Gain Or Kremling's?

WASHINGTON — In the ongoing debate over the American military presence in Somalia, the United States has sought to emphasize its goal of stabilizing the region and preventing the spread of terrorism. However, critics have pointed out that the US military's actions have also had significant consequences for the local population.

The American military has been deployed to Somalia since 1993, when the United States began providing support to the government of President Conrad Abdi. The mission was initially focused on combating al-Qaeda, but has since expanded to include efforts to support humanitarian aid efforts.

But American military action in Somalia has had a significant impact on the local population. The military has been accused of using excessive force, targeting civilians, and perpetrating human rights abuses.

And a note: for every life too

Homicide Ranks Fourth
As Black Death Causes

ANN ARBOR, Mich. (AP) — Officials in Michigan have reported a sharp increase in the number of deaths from homicide, with the state's homicide rate now ranking fourth among the states with the highest rates.

The latest report from the Michigan Department of Health and Human Services shows that the state had a total of 1,242 deaths in 2018, with 57% of those deaths caused by homicide. This is an increase of 20% from the previous year.

And a note: for every life too

More Cuban Refugees Jamming Boats

The Cuban refugee community in the United States is increasingly raising concerns about the growing number of refugees arriving illegally by sea. Many of the early arrivals have been processed and admitted to the U.S. later, but the situation is now becoming more complex. The U.S. Coast Guard has intensified its efforts to intercept such arrivals. The Cuban government has also been criticized for its handling of the situation. The refugees are facing a uncertain future, with many of them ending up in shelters and camps. The situation is expected to worsen as the number of refugees increases.

Jane Froman Dies

CHICAGO, Ill. (AP) - Big band singer Jane Froman, who was caught in a plane crash that killed six people, including three members of her band, died Tuesday in a Chicago hospital. She was 81.

Human Entry Delayed

MIDTOWN, Va., Feb. 28 (AP) - The Human Entry project, planned for next week, has been delayed due to adverse weather conditions.

Goldwater Says Wait

WASHINGTON, D.C. - Sen. Barry Goldwater, R-Ariz., said Wednesday that the U.S. should wait to bring the Vietnam War to an end. He said that the U.S. should continue to apply pressure on North Vietnam until the North agrees to a peace settlement.

Romania Won't Attend

Bucharest, Romania - The Romanian government has announced that it will not attend the Conference on Security and Cooperation in Europe (CSCE) scheduled to take place in Helsinki in September. The decision has been made due to what the government perceives as Western interference in internal affairs.

More Families To Visit

WASHINGTON (AP) - The State Department has announced plans to visit several more refugee camps in Southeast Asia to assess conditions and provide aid. The visits are part of the ongoing efforts to help refugees in the region.

Deaths

Geo. F. W. Williams, 85, died Wednesday. He was a retired businessman. Services will be held at noon on Friday at the First United Methodist Church.

Police, Residents Meet

The City Council met with residents last week to discuss safety concerns in the neighborhood. The council has agreed to increase police presence in the area. Residents have praised the move and hope for a safer community.
Card Martinez Handles Cubs

Card Martinez pitched a three-hit shutout as the American League's Kansas City Athletics defeated the National League's Chicago Cubs, 2-0, in the third game of the midseason All-Star Baseball Series on Friday night at Wrigley Field in Chicago.

Martinez, a 23-year-old Cuban-born pitcher, was making his first start of the season and had not pitched more than once in two weeks. He allowed four hits and two walks in seven innings and fanned four.

In the first inning, Martinez allowed a single to Cubs' center fielder Ernie Banks, which was erased by a double play. In the second inning, he retired the side on a groundout and a flyout. In the third inning, he gave up a single to Cubs' second baseman Ron Santo, but retired the side on a groundout and a flyout.

In the fourth inning, Martinez gave up a single to Cubs' center fielder Ernie Banks, but retired the side on a groundout and a flyout. In the fifth inning, he gave up a single to Cubs' first baseman Bill Buckner, but retired the side on a groundout and a flyout. In the sixth inning, he gave up a single to Cubs' left fielder Billy Williams, but retired the side on a groundout and a flyout.

In the seventh inning, he gave up a single to Cubs' shortstop Tony Gonzalez, but retired the side on a groundout and a flyout. In the eighth inning, he gave up a single to Cubs' catcher Bob Bouldin, but retired the side on a groundout and a flyout. In the ninth inning, he gave up a single to Cubs' first baseman Bill Buckner, but retired the side on a groundout and a flyout.

89ers Batter Omaha To 13-4 Tune

By Wayne Bishop
The Journal Staff

By slapping his left knee, Slim Fleeman drew the attention of the referees to the fact that his left knee was sore enough to warrant a visit to the hospital. However, though he was unable to continue in the game, Fleeman was able to make his way to the hospital without any difficulty. The 89ers won the game 13-4.

Card Martinez Handles Cubs

By United Press International

After transferring his two-out single to shortstop Harry Kemp, Slim Fleeman signed a new contract with the Cubs. Fleeman's contract was valued at $2 million, making him the highest-paid player in the league. The transfer of Fleeman to the Cubs was met with mixed reactions, with some fans expressing their joy at seeing Fleeman play for a different team, while others expressed their disappointment at losing a key player.

Sooner's Get 'Big Time'

Five Years Later, Cambodia Still Crippled

By Richard L. Nelson

Five years after its overthrow, Cambodia is still in a state of disarray, with its economy in shambles, its infrastructure desperately in need of repair, and its people suffering from years of war and violence.

The defeat of the Khmer Rouge by the Vietnamese army in 1979 was intended to bring peace and stability to Cambodia, but instead, it has been a long and brutal period of occupation, which has left the country in ruins.

The economy has been completely devastated, with prices soaring and basic necessities like food and water becoming scarce. The lack of infrastructure has made it difficult for people to get to hospitals or to work, and the country is still reliant on foreign aid to meet its basic needs.

The political situation is also precarious, with the Vietnamese army still in place and the Khmer Rouge continuing to operate in the countryside. The government is struggling to maintain control, and the country is still divided along ethnic and religious lines.

The outlook for Cambodia is uncertain, with many experts predicting that it will take decades for the country to recover from the effects of the war and the occupation. The country's future hinges on the ability of the international community to provide ongoing support and assistance.
