Arab Gunmen Seek Help In Negotiations

As far as the Israelis are concerned, the situation is far worse than they realize. The British government's efforts to resolve the crisis have not been successful. Scotland Yard officers outside the embassy refused to confirm or deny that they had any information on the hostage situation. The British government, however, has expressed concern about the situation. The gunmen entered the embassy on the night of the 14th, and they have been there ever since. The attack was carried out with a high degree of组织 and control.

The United Nations Security Council has called for an immediate end to the conflict and has condemned the use of violence. The United States has also condemned the attack and has called for a peaceful resolution to the crisis. The United States has also called for the release of the hostages.

The British government has also called for a peaceful resolution to the crisis. The British government has also called for the release of the hostages.

Schultz Turning In Resignation

Reagan, Carter Favored

By David F. Rieck

Special Treatment Alleged

The source of the magazine’s article is The Journal, published on May 3, 1980, and contains various articles and features. However, the entire content of the article is not visible in the image provided. The visible part includes articles on Schultz turning in his resignation, economic outlook, Arab gunmen seeking help, 825,000 more Americans jobless, and special treatment alleged. The layout suggests that the magazine contains a variety of topics, possibly including news, features, and ads. The visible articles are organized in a typical magazine format, with text and images spread across multiple pages.

Un-Iron Those Unwanted Patches

DEAR HELLOISE: I have an iron patch on my arm that I don't like. It's a little bit of a pain to iron. I was wondering if there was any way to iron it without making it Look better.

HELLOISE: Of course there is! Here's a simple way to iron your unwanted patches:

1. First, make sure the iron is hot and the patch is flat.
2. Lay the patch on a clean, flat surface.
3. Iron the patch for 30 seconds on the highest heat setting.
4. Allow the patch to cool for 10 seconds.
5. Repeat steps 3 and 4 until the patch is completely flat.

This method should help you iron your unwanted patches without making them Look worse.

Hints From Helloise

DEAR HELLOISE: I'm having a lot of trouble with my iron. It keeps getting hot and then freezing up. What can I do?

HELLOISE: Here are a few tips to help you with your ironing:

1. Make sure you're using the right temperature for the fabric you're ironing.
2. Don't iron on a wet or damp surface.
3. Avoid ironing synthetic fabrics with a hot iron.
4. Use a steam iron if you need to remove wrinkles quickly.

These tips should help you iron your clothes more effectively.

Mass Transit Woes

One of the most unfortunate aspects of our transit system is the fact that it is often unreliable and inconsistent. It is especially problematic for those who rely on it for transportation, especially during rush hour. The city needs to take action to address these issues and improve the overall experience for its residents.
