Inflation Taking Its Toll

By United Press International

 ...inflation has cut the purchasing power of the average worker's paycheck. Inflation has been a major concern of the American public since the early 1970s, as high prices and rising costs have affected the value of money and the affordability of goods and services. The government introduced a new inflation-driven policy in the early 1980s, which aimed to reduce inflation by adjusting interest rates and implementing fiscal policies. However, the long-term effects of inflation remain a significant economic issue, affecting both individuals and businesses.

Pyramidal Schemes Dying

LA LOCQUIN (UPI) — Authorities in Mexico have arrested six people for operating pyramid schemes which swept across the country earlier this year. The schemes, which were popular in other Latin American countries, involved the recruitment of new members by promising them financial rewards for recruiting others. However, the schemes were vulnerable to collapse when the number of new recruits slowed or stopped, leading to financial losses for many participants.

Good Morning

It’s Thursday, May 29, And...

...it will be warm and hazy with scattered showers and thunderstorms. Temperatures will be in the low 70s during the day and low 60s at night. Expect a high of 80 degrees and a low of 65 degrees. Tomorrow will be sunny with a high of 85 degrees. Thursday will be sunny with a high of 80 degrees.

Second Abscam Indictment Made

WASHINGTON (UPI) — A federal grand jury Wednesday indicted another accused Abscam operator, Haim Saban, and one of the agents in the Abscam operation, Robert J. Gavett, on charges of misconduct and fraud. Saban, a senior executive of the Israeli television network, was accused of accepting bribes and kickbacks from FBI agents. The grand jury indicted Gavett on charges of mail fraud and wire fraud.

Ernie Banks: Still a Cub

Oklahoma City, Okla., July 24, 1980

...Ernie Banks is a Cub for life, despite his lack of recent success on the field. The former Chicago Cubs slugger, known for his home run hitting abilities, was traded from the Chicago Cubs to the Philadelphia Phillies in 1977. However, Banks remained a beloved figure in Chicago, and his legacy continues to inspire new generations of baseball players.

Ericksons Guilty Of 42 Tax Counts

By Kay McCarthy

LANCASTER, Pa. (UPI) — A federal jury convicted 42-year-old William R. Erickson Jr. and his wife, Pauline, of 42 counts of income tax fraud.

Sentencing begins in the case.

The sentencing hearing is set for October 15, 1980, in Lancaster, Pennsylvania, where the Ericksons were found guilty of tax evasion in the previous trial. The couple faces up to 36 months in prison and a fine of up to $100,000.

WASHINGTON, D.C. (UPI) — The Senate has approved a bill that would allow individuals to buy low-interest federal student loans from the government. The bill, which passed unanimously, is an important step towards alleviating the burden of student debt and providing more accessible financial aid options for students.

SABRETT, S. (UPI) — The Senate has rejected a bill that would have provided federal funding for the expansion of the Sabrett Stadium, a sports facility in New York City. The bill, which was introduced by Senator Alfonse D'Amato, was opposed by members of the Senate who argued that the stadium was not a viable project and that the funds would be better spent on other priorities.

The Senate has rejected the bill.

Eat Less Saturated Fat

FRESNO, CA (AP) - A report released today by the American Heart Association indicates that Americans are eating more saturated fats than they did a decade ago. The study, which surveyed 5,000 adults, found that the average daily intake of saturated fats increased by 10 percent over the past decade. The report also noted that the increase was greatest in the South, where people tend to eat more fried foods.

Anthony Defends Himself

WASHINGTON, D.C. - Anthony, a young man who was recently involved in a heated argument, tells reporters today that he was forced to defend himself after being attacked by a group of teenagers. Anthony said that he was simply trying to walk home when he was surrounded by a gang of young men who started taunting him. "I was just walking down the street," Anthony said. "I didn't do anything to them. They just started saying things to me and suddenly they started pushing me around. I tried to step back, but they wouldn't let me. I had to defend myself."

ZANNI WIFE QUESTIONED

August 2 (AP) - Towns County authorities have arrested a woman who is suspected of kidnapping a young boy. The arrest was made after a citizen reported seeing the boy being led away by a woman who appeared to be in distress. The boy, who is currently missing, was last seen playing at a nearby park.

OCU Money Raised

WASHINGTON, D.C. - The Office of the Comptroller of the Currency has announced that it has raised $1 million in money for charity. The money was raised through a series of events, including a charity run, a concert, and a silent auction.

Patriotic Show Set

WE Are a patriotic nation, and the 4th of July is a time to celebrate our country's independence. This year, the city of San Francisco is hosting a special event to honor our veterans. The show will feature patriotic music, dance, and fireworks. The event is free and open to the public.

CITY SCENE

Tell It to The Governor

The 50th Anniversary Tour will be held in the State Library on Saturday, May 19th. The event will feature speeches, music, and a special display of historical artifacts. Tickets are available at the library or online.

Where Are The Raises?

WASHINGTON (7:50) — Despite the recent increase in the stock market, the government reported that the cost of living has been rising at a slower pace than in recent months. The Labor Department said that the consumer price index rose 0.2 percent in March, compared with a 0.4 percent increase in February. The index has risen 4.6 percent in the past year.

In terms of personal income, the report noted that workers in the United States earned a total of $1.2 trillion in March, an increase of 1.5 percent from the previous month. The nation's gross domestic product, measured in the fourth quarter of last year, was $13.5 trillion.

The report also indicated that the unemployment rate remained at 4.3 percent, and that the labor force participation rate was 62.8 percent. The median household income was $46,000, an increase of 2.5 percent from a year earlier.

Most Jobs Bore Workers

WASHINGTON (7:50) — The government reported that the number of people who have lost their jobs or are unemployed has declined significantly in recent months. The Labor Department said that the unemployment rate has fallen from 6.5 percent in December to 4.3 percent in March.

In terms of job openings, the report noted that there were a total of 9.5 million job openings in March, an increase of 1.2 million from the previous month. The nation's gross domestic product, measured in the fourth quarter of last year, was $13.5 trillion.

The report also indicated that the median household income was $46,000, an increase of 2.5 percent from a year earlier.

Recession Jolt Is Easing

WASHINGTON (7:50) — The government reported that the recession has been easing in recent months. The Labor Department said that the unemployment rate has fallen from 6.5 percent in December to 4.3 percent in March.

In terms of job openings, the report noted that there were a total of 9.5 million job openings in March, an increase of 1.2 million from the previous month. The nation's gross domestic product, measured in the fourth quarter of last year, was $13.5 trillion.

The report also indicated that the median household income was $46,000, an increase of 2.5 percent from a year earlier.
