Savannah 6, Stone Mountain 5

The Gulf Coast League's regular season has officially ended and the playoff battles have begun. The Savannah Sand Gnats, who finished second overall in the league, clinched their spot in the playoffs by defeating the third-place team, the Stone Mountain Braves, in a close game that went down to the last at-bat.

The game was played on an overcast day with occasional showers, which did not deter the large crowd of fans who gathered at the stadium to witness the action. The Sand Gnats' star player, Kuhn, was hit by a pitch in the top of the ninth inning, allowing the Braves to score the winning run.

The Braves dominated the early innings, but the Sand Gnats fought back with a strong offensive performance in the middle of the game. A grand slam by Mayberry in the fifth inning gave the Sand Gnats a 3-2 lead, which they held onto until the end.

The game was intense and competitive, with both teams playing their best. The Savannah Sand Gnats will now advance to the playoffs, where they will face their toughest challenge yet.

Leonard Gets Try At Duran

The Los Angeles Lakers, who are currently without their top two guards due to injury, announced that they will sign a new player to help fill the gap. Leonard, a free agent, has been invited to try out for the team and will begin training next week.

The Lakers have been struggling with their defense in recent games, and Leonard is expected to bring much-needed intensity and tenacity to the team. His addition will be a significant boost for the Lakers, who are looking to improve their record and secure a playoff spot.

The New York Knicks, who are also looking for a boost in defense, have shown interest in Leonard as well. However, the Lakers have made it clear that they will prioritize their current situation and focus on bringing in a player who can immediately contribute to the team.

The Lakers' management has promised to keep the team focused and competitive, and they are optimistic about their chances of making it to the playoffs.

Hints From Heloise

Help With ‘Pressing’ Duties

Dear Heloise:
I am looking for a way to press clothes without a press. I have a steam iron, but I can't seem to get the wrinkles out of my clothes. Any suggestions?

Sincerely,
[Name]

Dear [Name]:

There are several ways to press clothes without a press. One method is to place a heavy book on top of the wrinkled area and let it sit for a few minutes. This can help to iron out the wrinkles. Another method is to use a steam iron. Simply place the iron on the wrinkled area and move it in a circular motion to smooth out the wrinkles. You can also use a spray bottle filled with water to help release the wrinkles before ironing.

Sincerely,
[Heloise]
Pig Roast Becoming Popular Party Treat

By Maxine Tidwell

A pig roast is a popular party treat, especially during the summer months. It's a fun and easy way to entertain a large group of people. The pig is usually roasted on a spit over an open fire, and the meat is juicy and delicious. The guests can help themselves to various sides, such as corn on the cob, baked beans, and coleslaw.

Union May Kill Sale Of Newspaper

Cleveland (AP) - Industrial giant General Motors Corp. said today it would seek court intervention to block a $1 billion sale of the Cleveland Plain Dealer because the deal would violate antitrust laws. The sale, which is the largest ever in newspaper history, would create a chain with interests in 13 newspapers, including The Los Angeles Times. The Steelworkers Union has already threatened a 10-day strike if the deal goes through. Stockholders of the Plain Dealer, which is the largest newspaper in Cleveland, met today to consider a proxy statement submitted by the Steelworkers Union and the company's Board of Directors. The company said it would ask a federal court to block the sale.
