McCurdy Upsets Veteran Townsend

By Nina Long

Oklahoma City — Young David McCurdy turned the tables in the Fourth District yesterday by ousting incumbent Democratic Rep. John Townsend in the primary.

McCurdy, a 30-year-old Oklahoma City attorney, drew 18,090 votes to Townsend's 10,374.

McCurdy's victory marked the second time Townsend has failed to win renomination. Townsend defeated opponent John Kennedy in the 1978 primary.

In the two other Oklahoma House districts where races were held, Kennedy also ended up on the losing side. Kennedy captured a primary victory over a spirited Nathan Giger in the Third District, and he also defeated a badly splintered field in the Fifth District.

Kennedy captured 28,576 votes, with 64.5 percent of the vote, while Giger pocketed 12,593 votes, or 28.4 percent.

Kennedy had a vote advantage in the 46 precincts where McCurdy also polled a majority of the vote. McCurdy led in the 44 precincts where Kennedy won.

Neither Kennedy nor Giger could be reached for comment last night.

The Fifth District seat represents parts of Oklahoma County's southwest suburbs, including Nichols Hills. Nixon is serving the seat as a Marine reservist.

McCurdy won the seat as a Marine reservist.

McCurdy's victory was a surprise because Townsend is considered a shoo-in for renomination.

Townsend's vote was up 49.6 percent, compared with McCurdy's 53.5 percent.

Cuba To Punish Hijackers
Washington (AP) - An official of the Cuban government said Thursday that the Cuban government has decided to punish the hijackers of a Cuban jetliner which was forced to land in the United States, saying that the hijackers violated Cuban law by seizing the plane.

Joseph Schuker, a Cuban official, said the hijackers were being held in a government facility and would be tried in a military court. He said the hijackers had been charged with terrorism and conspiracy.

Schuker said the hijackers had been given a choice of either returning to Cuba or being tried in a U.S. court. He said the hijackers chose to return to Cuba.

Cuba has been under international pressure to hand over the hijackers, who have been charged with hijacking a Cuban jetliner which landed in Tampa, Fla.

Schuker said the hijackers had been given a choice of either returning to Cuba or being tried in a U.S. court. He said the hijackers chose to return to Cuba.

OKEMAH WOMAN IS OK

FELTON, Okla. (AP) - cops said the Okemah woman was okay after being found in a car that had been abandoned at the scene of a murder. She was later identified as 52-year-old Mary Ann Jones. Jones was last seen on Monday night when she got into her car and drove away from her home in the rural community of Okemah. Jones' husband, 54-year-old Charles Jones, was found dead in their home early Tuesday morning. The cause of death was not immediately released. Jones was a father of four and had worked as a cook in a nearby restaurant. He was popular in his community and was known for his kindness and compassion. Jones' children said they were heartbroken by his passing and said they would miss him dearly. They said they were grateful for the support they had received from friends and neighbors in the wake of their loss. An investigation is ongoing, and no arrests have been made.
